## Description

The Sunseeker Manhattan 64 offers all the space of a Flybridge Motoryacht, with generous and comfortable accommodation, including an optional additional cabin. With tunnel drives and a sleek hull design, she delivers an impressive top speed, combined with remarkable manoeuvrability. Inside, the large upper saloon of the Manhattan 64 is complemented by a further saloon aft, with galley and bar. Accommodation includes a full-width owner's stateroom and room for another six people, plus an optional twin en suite cabin. Other practical details include convenient access to the flybridge from both the saloon and the aft cockpit, and the provision of a large bathing platform with room for a tender.
